Tuition is based on the total hours of students in the family and is due by the first of each month and late after the 10th. Monthly tuition is calculated by taking annual tuition divided equally for the September through June. Some months have more classes than others, but in total, all classes meet the same number of times throughout the school year. All students have the options to make up scheduled missed classes by taking other similar classes on the schedule. For those choosing to pay either Trimester (includes a 5% discount) or Yearly (includes a 10% discount), those options are available until 9/30/16. Please check with the front desk to calculate these discounts and/or our family discount! A \$25 late fee will be assessed on all late payments. It is your responsibility to keep your account current. *Competition Team families should refer to their contracts for payment agreement.* Tuition is automatically charged to your account through the end of the season. If you need to drop a class you must submit in writing or email by the 15th of the current month to be effective the following month. There are no refunds for the current month. Trimester and Yearly refunds will be done on a prorated basis by calculating used portion on a monthly basis.

I, the parent or the adult student, acknowledge that the student is taking class at their own risk and will not hold IGNITE Dance & Yoga liable in the event of physical injury or personal loss. In the event of a medical emergency, all attempts will be made to first contact the parent. If unsuccessful, this signature authorizes us to contact 911. I acknowledge that IGNITE Dance & Yoga may take photos/videos of the students for the purpose of promoting the studio.
