10% FAMILY DISCOUNT						

Youth class tuition is calculated per student with a 10% family discount. Monthly tuition is charged to your credit card on file on the first of each month. Monthly tuition is the same amount each month regardless of how many weeks in the month (some months have more weeks, some have less, but each class meets for the same amount of classes over the school year). If you miss a scheduled class, you can take a make up class in a similar style and age group. For those choosing to pay annually, there is a 7% discount (annual option is available until 9/30/18). If your credit card declines, you will have 7 days to rectify the situation without incurring a \$25 charge. If you prefer to pay by cash or check, payment in full must be made by the first of the month. Late payments and/or ISF checks will incur a penalty of \$25. It is your responsibility to keep your account current. *Competition Team families should refer to their contracts for payment agreement.* Tuition is automatically charged to your account through the end of the season. If you need to drop a class, you must submit in writing or email by the 15th of the current month to be effective the following month. There are no refunds for the current month. Refunds for annual tuition will be done on a prorated basis by calculating used portion on a monthly basis.

I, the parent or the adult student, acknowledge that the student is taking class at their own risk and will not hold IGNITE Dance & Yoga liable in the event of physical injury or personal loss. In the event of a medical emergency, all attempts will be made to first contact the parent. If unsuccessful, this signature authorizes us to contact 911. I acknowledge that IGNITE Dance & Yoga may take photos/videos of the students for the purpose of promoting the studio.
